Issue No 3089 February 2025

Presidents Report

Hi all hope you are all well, the Chirpa is a little early as we have an Aviary visit in Launceston that we wanted to get the details out. Also don't forget our AGM at the clubrooms on February 14th at 7:30pm.

Aviary visit to Launceston Saturday February 1st we are car pooling so will be several meeting points; 8:30am 58 Main Road Wivenhoe; 9am 138 Stony Rise Rd Devonport or 10:15 150 Pateena Rd Travellers Rest

The first aviary visit is Pateena Rd so can meet directly there or join in the convoy from Burnie or Devonport. The club is supplying lunch so it's very important you let us know by the 27/1/25 if your attending so catering can be organised so you get a feed please do this as soon as possible. This should be a great day out so please make the effort to get along.

We had a clean up of the clubrooms at our January meeting and it's looking good after it's fresh coat of paint and things back in place. Thanks to those that helped with this. Don't forget March is the Wynyard Show (15th) so would be great to have a good display of birds for the public to see.

See you all at our Aviary visit Saturday February 1st.
Your President Leon

Notice

Please remember the meeting in February 14th at 7.30pm in nice newly painted club rooms is our AGM so we need as many members to be there to vote in the club elections
