Issue No 3088 January 2025

Presidents Report

Well the year is over and a new one has begun I hope you all had a great Christmas and welcome to 2025.

Hope the birds are doing the right thing and still producing. We have quite a bit happening in the first few months of the year, with a meeting in January this will be on the 17th please take note of the date change due to people being away, then on the 1st of February we will be doing aviary visits to the Launceston area, we have 5 aviaries to visit which covers parrots, finches, pheasants and quail we need numbers urgently so we can work out size of bus or if we will just car pool so please phone Gaye on 64232121 and let her know if you want to go it will be a great day and a chance to see plenty of birds and meet new people so please let us know as soon as possible.

Our AGM will be on Friday February 14th and then in March the Wynyard Show so as I said we have a busy few months ahead. We had a great end of year breakup at the Lobster ponds with about 26 members present, was great to see some new members attend and was great to catch up with the new and old. Thanks Kevin and crew for a great day.

So once again welcome to the new year and will see you all at the club rooms on Friday 17th February at 7.30pm.

Your President Leon

Thank you to all members that donated to the raffles.

Notice

Please remember the meeting in February is our AGM so we need as many members to be there to vote in the club elections
